8.2. For all assistance performed by Nitro in the context of the treatment of such requests from Data Subjects, the Customer will reimburse Nitro in accordance with Section 14 “Costs” of this Data Processing Addendum. Such reimbursement by the Customer shall not apply (i) in case the Data Subject is invoking its rights because of a Personal Data Breach proven attributable to Nitro or (ii) in case such assistance by Nitro does not exceed four (4) hours of work during the term of the Agreement.

9. DUTY TO NOTIFY

9.1. Upon becoming aware of a Personal Data Breach, Nitro shall notify the Customer thereof without undue delay by contacting the contact person indicated in the Agreement or the relevant Order Form (or alternatively via the Customer's Notification Email Address or (if applicable) any other e-mail address the Customer has shared in the admin portal as privacy contact). 10.2. Nitro will inform the Customer of any intended changes concerning the addition or replacement of Sub-processors by contacting the contact person indicated in the Agreement or the relevant Order Form (or via the Customer's Notification Email Address or (if applicable) any other e-mail address the Customer has shared in the admin portal as privacy contact). The Customer will have the right to object to the addition or replacement by addressing Nitro in writing. Parties will in such case discuss the addition, replacement or alternative in good faith and as soon as reasonably possible after the Customer's written notice of objection.

10.3. Where Nitro engages a Sub-processor for carrying out specific processing activities, the same or similar data protection obligations as set out in this Data Processing Addendum shall be imposed on that Sub-processor by way of a written agreement, in particular providing sufficient guarantees to implement appropriate technical and organizational measures (and complying with the relevant technical and organizational measures). Where a Sub-processor fails to fulfil its data protection obligations, Nitro shall remain fully liable to the Customer for the performance of such Sub-processor's obligation.

Where the conditions set out in Section 11.2 do not apply, the Parties enter into the UK Standard Contractual Clauses in the form and manner set out in Annex 2 to this Data Processing Addendum, such UK Standard Contractual Clauses being incorporated into and forming part of this Data Processing Addendum.

11.4. The Customer acknowledges that Sub-processors authorized under clause 10 may also process Personal Data in third countries. The Customer permits such transfers, subject to Nitro taking all steps necessary to ensure such transfers comply with the provisions of Chapter V of the UK GDPR and other applicable data protection laws.

11.5. In case the transfer of Personal Data to a third country or an international organization is mandatory under applicable law to which Nitro is subject, Nitro shall be allowed to perform such transfer and shall inform the Customer of that legal requirement before such Processing, unless that law prohibits such information on important grounds of public interest.

12. DATA PROTECTION IMPACT ASSESSMENT AND PRIOR CONSULTATION

12.1. If the Customer performs a Data Protection Impact Assessment (“**DPIA**”) (article 35 UK GDPR) or prior consultation (article 36 UK GDPR) linked to the processing of Personal Data in the context of the performance of the Agreement, Nitro shall reasonably assist the Customer by providing assistance upon the Customer’s written request. 13.2. In case an audit is being performed, all parties involved shall first sign a specific non-disclosure agreement issued by Nitro with respect to such audit and the audit results before the start of the audit. Upon the performance of any such audit, the confidentiality obligations of the Parties with respect to third parties must be taken into account. Both the Parties and their auditors must keep the information collected in connection with an audit secret and use it exclusively to verify its compliance with this Data Processing Addendum and the applicable laws and regulations in respect of data protection. The Customer has the option to perform the audit itself or to assign an independent auditor, however such independent auditor must duly sign the non-disclosure agreement referred to in this Section.

13.3. Both Parties and where applicable their representatives, shall reasonably cooperate, upon request, with the Supervisory Authority in the performance of its tasks.

13.4. The Customer will reimburse Nitro for the assistance provided by Nitro in relation to audit(s) in accordance with Section 14 “Costs” of this Data Processing Addendum. 17. If the Parties wish to change the format of the information included in Part 1: Tables of the Approved Addendum, they may do so by agreeing to the change in writing, provided that the change does not reduce the Appropriate Safeguards.

18. From time to time, the ICO may issue a revised Approved Addendum which:

- a. makes reasonable and proportionate changes to the Approved Addendum, including correcting errors in the Approved Addendum; and/or
- b. reflects changes to UK Data Protection Laws;

19. If the ICO issues a revised Approved Addendum under Section 18, if any Party selected in Table 4 “Ending the Addendum when the Approved Addendum changes”, will as a direct result of the

- b. its risk under the Addendum,

and in either case it has first taken reasonable steps to reduce those costs or risks so that it is not substantial and disproportionate, then that Party may end this Addendum at the end of a reasonable notice period, by providing written notice for that period to the other Party before the start date of the revised Approved Addendum.
